

Time Insurance Disclosure Information

The following information provides you with an important overview of TIME Insurance, our duties to you, fees and how we manage complaints.

Licence Status and Conditions

Folio.Insure Limited (FSP1003687), holds a Class 2 Financial Advice Provider licence, issued by the Financial Markets Authority. TIME Insurance, FSP750831 is authorised by that licence to provide financial advice services.

Nature and Scope of Advice

TIME Insurance provides advice to our clients about their general insurance needs.

Our financial advisers provide financial advice in relation to domestic general insurance, such as house, contents, landlords, motor vehicle and boat insurance, as well as commercial general insurance, such as commercial property, business interruption, commercial motor, marine, liability, professional indemnity and cyber insurance.

When providing our advice, we access a wide range of general insurance products from various general insurance providers in both the local and overseas markets.

Folio are members of the Steadfast Group and have access to their insurer partners, agreed wordings and other great benefits that the group provides its members.

Fees, Expenses, or Other Amounts Payable

TIME Insurance may charge you a fee and charges for providing financial advice and for arranging, altering or cancelling your general insurance program. If a fee will be charged, you will be advised at the time the financial advice is provided.

In some circumstances, we may recommend another service provider to assist us in providing appropriate financial advice. These providers can include property valuers, property surveyors and motor vehicle valuations. These providers will charge a fee for the work they do. We will advise you of any related fees and charges prior to having them commence any work on your behalf.

Conflicts of Interest and Commissions or Other Incentives

TIME Insurance may receive a commission when you pay your invoice for insurance cover or if we refer you to a premium funder with whom you enter into a premium funding arrangement.

Premium funding products enable you to pay the insurance premium over the term of your policy by instalments rather than as one amount. Premium funders charge interest and they take a power of attorney over your insurance policy, this means they have the ability to cancel

your insurance policy if you fail to pay an instalment. If you enter into such an arrangement the premium funder will pay Folio or Folio's Financial Advice partners a commission as a percentage of the amount they fund. The amount of this commission will be disclosed to you when we know the scope and nature of the advice required and whether you intend to utilise the services of a particular premium funder. Commission will be paid to us directly from the premium funder.

TIME Insurance may pay your financial adviser a salary, plus bonuses and other incentives. TIME Insurance and your financial adviser may receive indirect benefits from insurers and premium funders such as business lunches, tickets to sporting and/or cultural events or corporate promotional merchandise.

We may, however, choose to rebate all or some commissions and charge you a fee based on the nature of the service we provide.

We recognise that the above commissions and incentives may create conflicts of interest for TIME Insurance and your financial adviser. To manage these conflicts, we follow an advice process that ensures our recommendations are made based on your financial goals and circumstances. Folio.Insure undertakes compliance audits of your financial adviser, who undergoes specialised training in this area. Folio.Insure also annually audits our conflicts of interest compliance framework.

To ensure that our Financial Advisers prioritise the clients' interests above their own, Folio, TIME Insurance and their Financial Advisers follow an advice process that puts the needs of the clients' first and ensure our recommendations are made on the basis of the client's goals and circumstances.

We further manage possible conflicts of interest by:

- Avoiding any quota requirements set by any one provider.
- Ensuring access to a range of insurance providers.
- Using third-party product research tools as a part of our analysis.
- Having our processes audited annually by an external compliance adviser.
